Free For All

Contributor	Resource	Bitly Link	Short Desc...
Adam Machanic	sp_WholsActive	http://bit.ly/sp_WholsActive	If you aren't using this, then you should be! Actually who is NOT using this?
Andy Mallon	Shortcuts Cheat Sheet	http://bit.ly/ssmshortcuts	Don't waste time, use these SSMS and Windows shortcuts instead.
Brent Ozar Unlimited	Paste The Plan	http://bit.ly/pastetheplan	Need to share execution plans quickly and easily? They've got you covered!
	sp_Blitz	http://bit.ly/BOUblitz	Fast, easy, and free health check on your SQL Server.
	sp_BlitzCache	http://bit.ly/BOUblitzcache	Need to evaluate your plan cache? Trying to find your badly performing plans? This can show you.
	sp_BlitzFirst	http://bit.ly/BOUblitzfirst	Got SQL Server problems and don't know where to start? Run this (sp_blitz)first!
	sp_BlitzIndex	http://bit.ly/BOUblitzindex	Quote from site: "If you've ever struggled with index tuning, this may sound crazy good. We think it really is."
Daniel Janik	How's My Plan	http://bit.ly/howsmypplan	Upload your plan and it will point out potential problems!
dbatools	dbatools	http://bit.ly/dbatools	Migrations: check. Best practices: check. Kitchen sink: coming soon!
Glenn Berry	SQL Server Diagnostic Information Queries	http://bit.ly/DMVQueriesSep2017	Run these and you'd know your SQL Server very well. There is also Pluralsight courses on these. (Sep 2017 version)
Greg Low	SDU Tools	http://sqldownunder.com/resources/sdutools	Free tools for comparing databases, tables, finding unused indexes, manipulating strings... plus YouTube tutorial videos!
Kenneth Fisher	sp_SrvPermissions	http://bit.ly/sp_srvpermissions	Server permissions required? Here you go!
	sp_DBpermissions	http://bit.ly/spdbpermissions	You want database permissions too? Not a problem.
Kimberly Tripp	sp_SQLskills_helpindex	http://bit.ly/sphelpindex	sp_helpindex is good but sp_SQLskills_helpindex is so much better!
	sp_SQLskills_CheckPlanCache	http://bit.ly/sp_SQLskills_CheckPlanCache	Have you even looked at your Plan Cache? Read the blog post that goes with this too.
Mike Fal	PowerShell Toolbox	http://bit.ly/PowerShellToolbox	Mike Fal has created a SQL Server related PowerShell toolbox and sharing it with you.
Niko Neugebauer	Columnstore Indexes Scripts Library	http://bit.ly/Columnstore!SL	Think you know Columnstore Indexes? Niko does! Use his scripts for info on the ones that you have.
Paul Randal	Wait Statistics (please, tell me where it hurts)	http://bit.ly/zoMjbi0	Have a performance problem but don't know where to start? Check out what SQL Server is waiting on.
	Waits Library	http://bit.ly/waitlibrary	Got Waits? Don't know what they mean? Better call Paul!
Raul Gonzalez	sqlg_securityAuditServerLogins	http://bit.ly/sqlg_securityAuditServerLogins	Want to know who has access? What User they are mapped to? SQLDoubleG has your back.
	sqlg_ExtendedEventFileReader	http://bit.ly/sqlg_ExtendedEventFileReader	Have an Extended Event file? Want to read it in SSMS? SQLDoubleG takes care of this for you.
